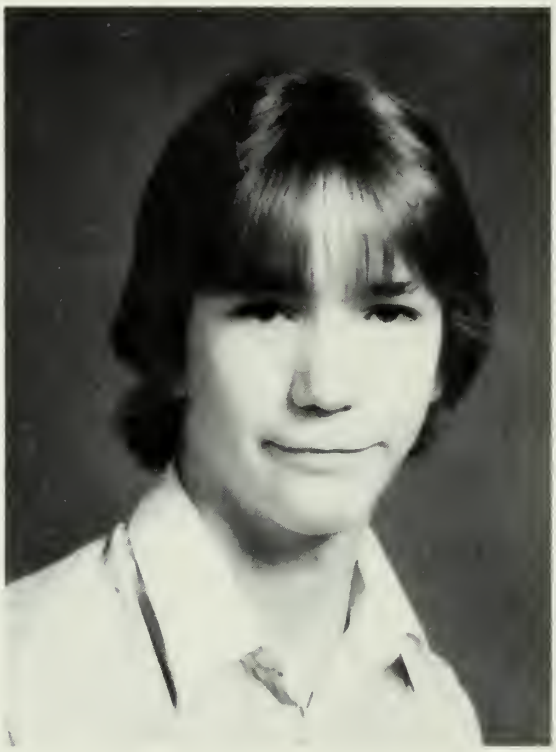
IN MEMORIAM



WILLIAM TONER

Four years in high school
We've had to go through,
But the hardest one we had
Was the one when we lost you.

We thought it was the end
As we lay our heads down to cry,
But we helped each other through
And were willing to give it a try,
Just knowing you'd be happy
And one day teach us to fly.

You left a lot of friends behind
And made it hard for us to part
With the one friend we all cherished
And whose friendship we held close to our heart.

Your smile was like the sun,
It brightened our dullest day.
Your laughter made us feel happy,
It seemed to show us the way.

We'll never forget the memories
You've given us through the years.
If only you were here,
there'd be no need to shed these tears.

We will one day see you again
But until that day, we hope you know
Your memory is with us forever,
And we will never let it go.

SUPERINTENDENT'S MESSAGE

Dear Graduates:

Congratulations and best wishes to the Class of 1987! As you depart for lives of further study, work, service or travel, this Yearbook will long serve as a reminder of the individual and collective impact you have had on the life and history of Avon High School. Similarly, it will provide a testament to the influence that Avon High School has had on each of you.

Compressed within these two-dimensional surfaces are various events which record the faces, activities, triumphs and encounters of all kinds that comprised the 1986-1987 School Year. Each picture is only a key which can unlock the deeper, richer experiences that lie beneath the surface. The true value of this record is to be found in your hearts, minds and memories. Like anything of great worth, it will become more meaningful and precious with each passing year.

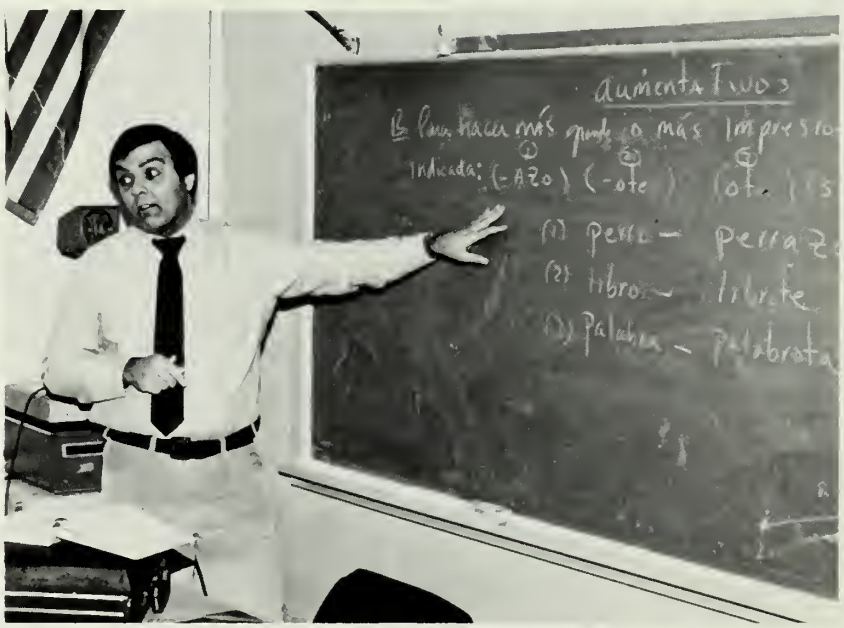
We wish each of you a wonderful, challenging and rewarding future. The collective hopes and wishes of the faculty, staff, administration and friends will travel with you throughout the coming months and years.

Joseph B. Rappa, Ed.D.
Superintendent of Schools

Mr. Herlihy with his math league "ringer."

All seniors should have Robert's problem: will it be MIT, Harvard, or Cornell?

Mr. J. shows how to balance the ledger.



Señor Conti enseña puntos de gramática.

Mr. Mills shows Mike that a little wood putty can produce wondrous results.

"Speak to us of Teaching."

And the Prophet said:

"No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom, but rather of his faith and his lovingness.

For the vision of one man lends not its wings to another man."

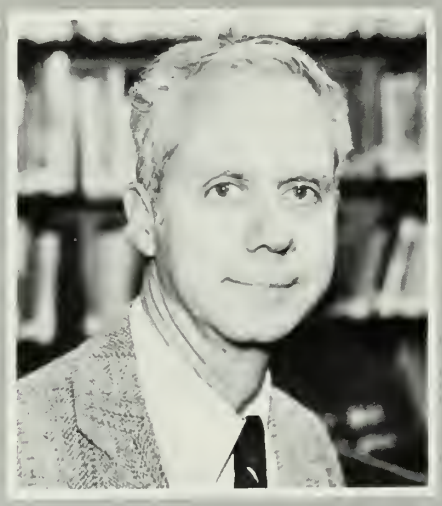
THE MORSS REVIEW



Last February a SAVAGE winter storm came through, so bad that Scrooge decided to put the Saab in the garage and PARKER. My LORD, what a storm! The wind would PIERCE the warmest clothing. All the way home he'd had to DODGE all the other cars. SHARON hadn't been ploughed and it had been necessary to take a strange LANE to get home.

He's just had a cup of CAMPBELL's soup when he realized that an ice dam had formed on the roof and that he'd have to go up to take care of it. It was no time to SALLY forth, but he had to. So out came the ladder and up he went. The rooftop was as windy as a HEATH and he was certainly not in the LEE. He got down to the edge to inspect the situation, and just as he started to CRANE his neck to see better, he toppled off the roof, landing in a snowbank, thoroughly dazed.

He VERADT where he was and started to hear a lovely MELODY. It was spring and a ROBIN was singing. He had visions of Florida, where it was warm and not the season of HOLLY, and he was at Daytona Beach about to see the race of the season. ROBERT MACHINSKI, strutting and flexing his muscles for all the girls to see, was about to race STEPHEN HALLISSEY's Cadillac, and ROBERT CRUIKSHANK, wanting to LINDA hand, was using an ALAIN wrench on it. He only had to POTTER a few minutes more on it before he would have it running on all seven cylinders. But the eighth was in tough shape. It had a terrible RAPPA in it and sounded as if something would come through the block.

Next to the Cadillac sat a MARK II Porsche 944 with a WILSON Sporting Goods logo on the door, piloted by ROBERT LUNDGREN. He's RICH; he bought the car at CLAIR's, in West Roxbury, and drove it down through NEWTON, VIRGINIA, and the CAROLinas. And just think! Mr. HENDERSON and Mr. CONTI taught both these champions to drive!

MACHINSKI was the DARLENE of the pit. JODIE SELMAN kept hanging on him, sighing, "Oh, Robert!" On the dashboard he had small photos of JAYNE Mansfield and MARILYN Monroe. He claimed to be a well-trained driver and said officials would tolerate no boobs on the track.

Meanwhile, LUNDGREN had his followers. His coach, PAULA PIEKARSKI, was giving him tips on cornering. ERIC O'CONNOR was trying to get a SQUIBB more gas in the tank using a GERRY can. It had been a cold winter in the North a'NASUTI one, since everyone used coal to heat, but here in Florida it was hot. Both drivers were in the LYONS' den, about to race on the track of tracks. As long as they didn't hit the WINTERGRASS on the dunes, they'd be okay, but if they did, it would be KATY bar the door!

MACHINSKI decided to do it up BROWN taking a big swig from a MILLER'S can and a big bite out of a CLARK's bar and yelling "CARRAGGI-o" to boost his morale, he BOIROS into his seat and cranks the engine, DAVID against Goliath. That huge Caddy mill came coughing to life, sounding like something DAPPER Dan would drive.

LUNDGREN merely touched the key on the Grinnell Special and eight finely-honed Porsche cylinders began to scream in unison, going "WAUGH, WAUGH, WAUGH" as he gunned the engine. The cars hacked out to the starting line, where flagman JULIEN started the race off. An exciting race! But, what's this? Look! It's a genuine 1947 Kaiser-FRASIER, piloted by none other than SHAN herself, flooring the long-stroke six for all it will give! As they KIM round the first turn and all this is out of Scrooge's KEN-to be FRANK- SHAN gains the lead, taking first, followed by LUNDGREN and then the great hunk of Detroit iron going PAM! PAM! PAM! around the track, obviously NADINE a new engine. But as that monster grew louder and closer, Scrooge's daze began to pass off and the MELODY to disappear, and Scrooge realized, to his horror, that he was not on the inside of ANDERSEN windows, but on the outside, and that ROSALIE COIT was not there to help him out of the snowbank presently targeted by the large plow headed up his driveway.

A new MELODY began
"We'll meet again, don't know where, don't know when, but we'll meet again, some day "

FALL SPORTS REVIEW

CROSS-COUNTRY: THE FIRST CHAMPIONS

No one knew what to expect from the cross-country team in September. Since many of the top runners had graduated, Avon was not seen as a threat in the league. That thinking began to change at the opening meet when Sacred Heart discovered that Avon had indeed lost some runners, but had also gained some. Karl Smith, later voted MVP of the 1986 season, led the team to an easy victory that afternoon, and repeated the performance six times during the season, once breaking the track record at Blue Hills, lowering it to 13:21. Co-Captain Brendan Ward took five firsts during the fall, also setting a record of 17:00 on the much longer Norfolk Agricultural track. Mike Sweet ran a consistent third for the team all season until the last meet, when regular fourth runner William Cummings finally passed him by a narrow margin for the third position. Co-Captain Aaron McKechnie filled out the fifth position through most of the season, while Chris Erickson and Scott Eisnor also placed in the top five.

With a season record of 10-3 and losing meets only to large schools, Avon's Cross-Country team won its first championship, being undefeated in its own division. At the Mayflower League Meet, Avon placed second out of fourteen teams; Karl Smith received the Freshman Runner of the Year Award for 1986. Avon also participated in the State Meet, with a respectable 18th place among 40 division schools. Coach Gifford and the entire team gave an excellent effort throughout the season and deserve to be proud of their accomplishment in becoming Avon's FIRST CHAMPIONS.

-Robert Cruikshank

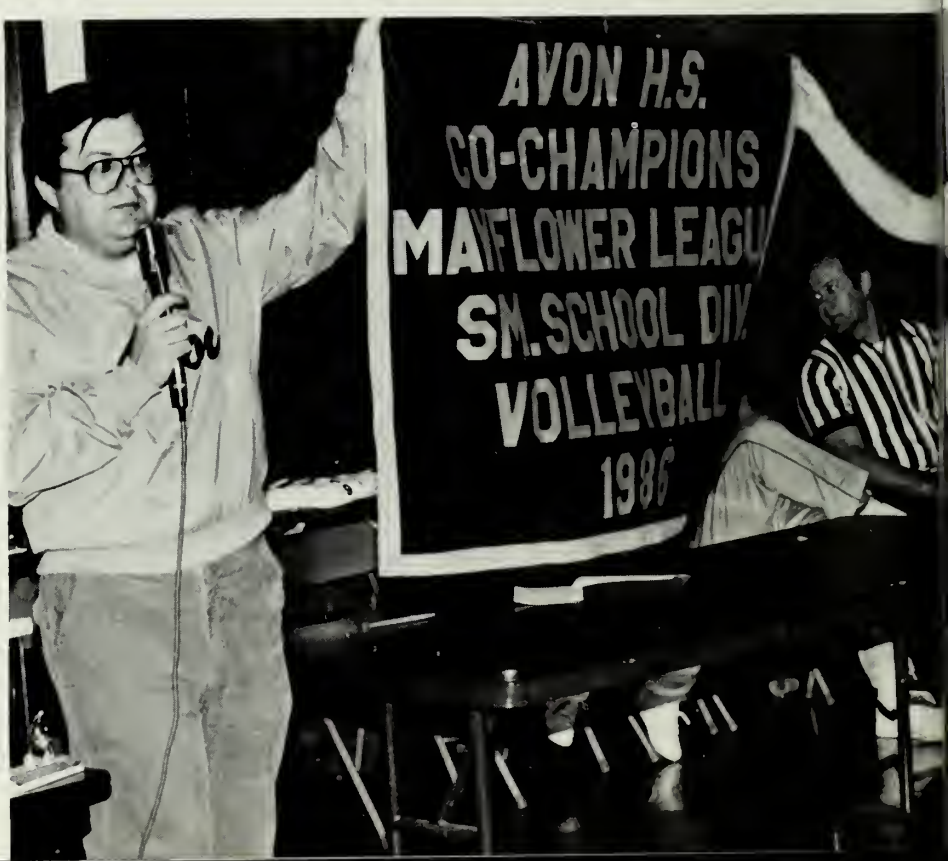
VARSITY VOLLEYBALL

The 1986 Avon High School Varsity Volleyball team were Co-Champions for the Mayflower League this year. The team's leading servers were Sharon Lebovitz, Kim Agrew, and Doreen LeGrice. Sharon was also team captain and MVP.

In the final game of the season, played in the Avon High gym, the team played Norfolk Aggies for the Mayflower League Championship. The team fought hard and was rewarded for its efforts by a very important win. This was one of the most exciting games to be played at Avon High in three years.

The playoff game against Westport was also a hard-fought game. In a best-of-five match, the team was defeated, three to none.

Avon also had three players on the Mayflower League All-Star Team. They were Sharon Lebovitz, Kim Argrew, and Doreen LeGrice.



SOCCER

After losing only two starters to graduation, the Varsity Soccer team looked to improve over last year's 6-10-1 record. Led by co-captains Mike Small, an all-star midfielder the year before, and Matt Crane, the Panthers looked as if they could challenge for the Small School Division title.

The defense, anchored by goalie Mike Matta, an honorable mention all-star in 1985, included fullbacks Al Forde and Paul Grenham. The midfield, providing strong all-around play, had Jeff Small, Chris Dunham, Mike Small and Mike Cox. The offense, that hoped to provide the scoring punch Coach Gugliotta had lacked the past few years, included Dave Small and Chris Dunham in the middle, with Matt Crane and Scott Klimas on the wings. Players that were to contribute off the bench were Dave Costa, Al Hauvuy, Eric O'Connor, Mike Darrienzo, Brian Costa, Chris Johnson, Scott Mahon, Brian Cox and Todd Crane.

The Panthers got off to a fine start, the first third of the season going 4-0-1 against division opponents. However, fortune changed when it came time to play Large School Division Opponents, as the team went 1-3-2 for an overall record of 5-3-5 heading into the last leg of the season with a good shot at the Small School title. Hard times really hit the team as it lost some key games against division foes. Finishing a close second, the Panthers' 7-6-5 record was good enough for a State Tournament berth. In the tournament the team was overpowered by a strong Dover-Sherborn team, 7-0.

For their excellent play throughout the season, four players, Mike Small, Matt Crane, Chris Dunham, and Mike Matta were selected as Small School All-Stars and Paul Granham received honorable mention.

-Matt Crane

J.V. VOLLEYBALL

The 1986 Avon High School Junior Varsity Volleyball team had an invincible season of 12 wins and 0 losses. The team's leading servers were Barbara Tolson, who was also team captain and MVP, and Julie Bevens.

In the three years since the J.V. team was established, it has been virtually unstoppable, with a record of 37 wins and 1 loss.

In the final game of the season, played in front of an Avon crowd, the team won two games to none. The first string won easily, and the second string, showing a magnificent effort, came back from an 8-2 deficit, to win the match 16-14.

The team was awarded sweatshirts for its effort. This was the first Junior Varsity team to be recognized for its season with an award of this kind.

WINTER SPORTS REVIEW

BOYS' BASKETBALL

In the 1986-87 season two Junior Varsity boys' basketball teams were established. JV II, coached by Peter Gill, played against local schools on an independent schedule, finishing with a record of 2-15. Playing well were Scott Mahan, Brian Cox and Brian Costa. JV I played on the same schedule as the Varsity team. Coached by Richard Gifford, the team played well, led by Karl Smith. Brendan Ward, Derek Tawil and Scott Klimas. Paul Granham, Ward and Klimas also played on the Varsity team. The JV I season record was 11-6 and both JV teams worked hard and gave an excellent effort.

The Varsity team record was 5-13 for the season. Outstanding shooters for the team were sophomores Michael Matta, Brendan Ward and Mark Doucette. David Small and Eric "Moonbeast" O'Connor helped with rebounding; playing well defensively were Paul Grenham and Matt Crane. Shooting well from the foul line were Scott Klimas, Mike Small, and, of course, Alain "the Hoov" Hauvuy.

Surest shot: Mike Matta
Most enthusiastic bench warmer: The Moonbeast
Most energetic player: Mike Small
Most flamboyant player: Cory Brooks
Most points in one game: Karl Smith (37)
Most fouls: Derek Tawil
Longest shot: Chris Gonsalves
Smartest Varsity Coach: Daniel Herlihy

GIRLS' BASKETBALL

The girls' Varsity basketball team finished the 1987 season with a record of 4 wins and 12 losses. The team consisted of 2 seniors, 5 juniors, 1 sophomore and 4 freshmen. This was a rebuilding year, and the team showed great improvement. They consistently hustled and played hard all season long.

Leading scorer for the season was junior point guard Doreen LeGrice, with 240 points overall. The leading rebounder was junior center Sandi Head, with 148 rebounds. Doreen LeGrice was also selected as a Mayflower League all-star and MVP. With 10 returning players, the girls' team looks forward to a highly-rewarding season in 1988.

The girls' Junior Varsity was a very young and inexperienced team. Most players, though only in their first year of organized basketball, were very enthusiastic and hustled every game from tip off to final buzzer.

Led by Captain Sue Nasiopoulus, they defeated some tough teams like Sacred Heart and Bristol-Plymouth. The future of girls' basketball looks bright.

Outstanding performers for the year were Pauline Ciolek, Ann Marie Paine, Ann Cerrato, Julie Barker, Donna Crane, Kellie Kopke, Tara Cruikshank, Sue Foster and Alex Michelson.

AVON HIGH SCHOOL
BOOSTERS

GET $25,200 FOR COLLEGE IN TODAY'S ARMY.

The rewards of being a soldier just got richer. With The New GI Bill Plus The New Army College Fund.

You contribute $100 a month from your first full 12 months' paychecks (for a total of $1,200). The government and the Army will contribute the rest (up to $9,600 from the government and up to $14,400 from the Army, if you qualify). That's a great deal.

And as a soldier, you'll also learn a great deal. The Army offers over 80 skills for training. Many of the skills are high-tech, and many are skills you might want to pursue in college.

Call you local Army Recruiter for all the details.

NOTES OF APPRECIATION

To those Seniors and Juniors who assisted in the production of our yearbook.

To Doug and Nadine Bradshaw, the yearbook photographers, for the fine quality of photography throughout the book.

To Bruce Julian and the Business Staff for raising the necessary funds to finance our yearbook.

Finally, to the one person each year who invariably steps forward to take a special interest in the production of the yearbook. One student has always worked many more hours than any other, including time during Christmas and February vacations. In 1984 that student was Arlene Melody, in 1985 Michelle Dunham, 1986 Joe O'Connell. This year, that person was Michael Small. I wish to extend to him my personal thanks.
